

The Fourth International Conference on Construction Grammar (ICCG4) Timetable

Sep.1

(Fri)

9:00-9:20	Opening Ceremony	Mathematical Sciences Hall	Welcome Address: Youichi KIBATA, Dean, Graduate School of Arts and Sciences (University of Tokyo)	
9:20-10:20	Plenary Lecture	Mathematical Sciences Hall	Welcome Address: Toshikazu HASEGAWA, Director, Center for Evolutionary Cognitive Sciences (University of Tokyo)	
10:20-10:50	Break	(Move to Building 18)		
10:50-12:20	Oral Sessions	Oral Session A: Building 18 Hall	Oral Session B: Building 18 Room 1	Oral Session C: Building 18 Room 3
		Chair: Knud LAMBRECHT (Univ. of Texas at Austin)	Chair: Collin BAKER (International Computer Science Institute)	Chair: Kyoko OHARA (Keio University & ICSI)
10:50-11:20		Bhuvana NARASIMHAN, Anetta KOPECKA, & Asil OZYUREK (Max Planck Institute for Psycholinguistics) Crosslinguistic variation in motion event encoding: do constructions play a role?	Vanessa MICELLI, Robert PORZEL, & Aldo GANGEMI (European Media Laboratory & Institute of Cognitive Sciences and Technologies of the National Research Council) EctoloG: Construction Grammar Meets the Semantic Web	Hans C. BOAS (University of Texas at Austin) The syntax and semantics of constructional families
11:20-11:50		Arie VERHAGEN (Leiden University Centre for Linguistics) The notion of 'form' in construction grammar and the theory of signs - the role of paradigms	Nancy CHANG & Eva H. MOK (University of California at Berkeley & International Computer Science Institute) Putting Context in Constructions	Michaela POSS (Leiden University Center for Linguistics) Ditransitive Constructions and Dative Alternations from a cross-linguistic perspective: The case of Dutch, English, and German
11:50-12:20		Doris L. PAYNE (University of Oregon) Lexical vs. Constructional properties of Maatii 'be at' and ata 'have'	Luc STEELS, Joachim DE BEULE, & Remi VAN TRIJP (University of Brussels & Sony Computer Science Lab) Introducing Fluid Construction Grammar	Tomoko Okazaki HANSEN (University of Oslo) The Constructional Polysemy of Ditransitive Constructions in Japanese
12:20-13:30	Lunch Break			
13:30-15:00	Oral Sessions	Oral Session A: Building 18 Hall	Oral Session B: Building 18 Room 1	Oral Session C: Building 18 Room 3
		Chair: Shoichi IWASAKI (ICU & UCLA)	Chair: Michael ELLSWORTH (ICSI)	Chair: Seizi IWATA (Osaka City University)
13:30-14:00		Nina Azumi YOSHIDA (University of California at Los Angeles) Modal Nominalized Predicate Constructions in Japanese	Rocío JIMÉNEZ BRIONES (Universidad Autonoma de Madrid) The Lexical Grammar Model: how to integrate Construction Grammar into a lexico-functional approach to language	Kenneth William COOK (Hawaii Pacific University) Nominal Predication via Juxtaposition in Hawaiian
14:00-14:30		Chie SAKUTA & Seiko FUJII (University of Tokyo) Intonation units, information structure, and grammatical constructions in Japanese and English	I-Ni TSAI (University of California at Los Angeles) Feeling Verbs and Their Argument Structures: A Corpus-Based Approach	Heete SAHKAI (Institute of the Estonian Language & Tallinn University) Construction-driven phrase structure: the Estonian Genitive Agent Construction
14:30-15:00		Tsuyoshi ONO (University of Alberta) Constituent Order as a Construction: A Discourse-based Approach	<Canceled> David Y. OSHIMA (Stanford University) Subject-oriented adverbs and related constructions: One meaning, different packages	Fuhui HSIEH (National Taiwan University) The <i>thi</i> -construction in Saisiyat: Window Connecting the World and the Mind
15:00-15:10	Break			
15:10-16:10	Oral Sessions	Oral Session A: Building 18 Hall	Oral Session B: Building 18 Room 1	Oral Session C: Building 18 Room 3
		Chair: Adele GOLDBERG (Princeton University)	Chair: Ryoko SUZUKI (Keio University)	Chair: Christine LAMARRE (University of Tokyo)
15:10-15:40		Mirjam FRIED (Princeton University) Constructional properties of a text-cohesion marker in spoken Czech	Masanobu UEDA (Fukuoka Jogakuin University Junior College) On The Japanese Commercial Transaction Frame: How Culture-Specific Information Fits into a Semantic Frame	Kim SCHULTE (University of Exeter & Max Planck Institute for Evolutionary Anthropology) What makes a construction 'attractive'? – A comparative Romance case study of constructional expansion
15:40-16:10		Lari KOTILAINEN (University of Helsinki) At the mercy of variation: On formalizing constructions based on non-standard language corpora	Yoshiko MATSUMOTO (Stanford University) Juxtaposition and integration of frames in Japanese noun-modifying constructions	Henri-José DEULOFEU (Université de Provence) On the limit between constructions and discourse patterns : the case of [il y a indef NP que X] construct in spoken french
16:10-16:30	Coffee Break	(Mathematical Sciences Hall Lobby)		
16:30-17:30	Plenary Lecture	Mathematical Sciences Hall	Jan-Ola ÖSTMAN (University of Helsinki) (Moderator: Mirjam FRIED) Accountability in (Construction) Grammar	
17:30-18:30	Plenary Lecture	Mathematical Sciences Hall	Masayoshi SHIBATANI (Rice University & Kobe University) (Moderator: Kaoru HORIE) Grammaticalization of complex predicate constructions	

Sep.2

(Sat)

9:00-10:00	Plenary Lecture	Mathematical Sciences Hall	Michael TOMASELLO (Max Planck Institute for Evolutionary Anthropology) (Moderator: Adele GOLDBERG) Constructing a language		
10:00-10:20	Coffee Break	(Building 18)			
10:20-12:20	Oral Sessions	Oral Session A: Building 18 Hall	Oral Session B: Building 18 Room 1	Oral Session C: Building 18 Room 3	
		Chair: Jan-Ola ÖSTMAN (University of Helsinki)	Chair: Mirjam FRIED (Princeton University)	Chair: Seizi IWATA (Osaka City University)	
10:20-10:50		Heike BEHRENS (University of Basel) Discovering the middle field: The acquisition of discontinuous word order in German	Kiyoko TAKAHASHI (Kanda University of International Studies) A Two-Dimensional Classification of Complex Events Represented by Basic Serial Verb Construction	Susana AFONSO (University of Manchester) Existentials as impersonalising devices: the case of European Portuguese	
10:50-11:20		Chigusa KURUMADA & Seiko FUJII (University of Tokyo) Constructing storylines: A constructional approach to the structure and development of narrative	Anne Daphne M. LINDAYA & Ai NOMURA (University of the Philippines at Diliman & Tokyo University of Foreign Studies) Tagalog <i>ppa</i> - causatives and Philippine	Caroline V. DAVID (University of Montpellier III) Why you can <i>put somebody to sleep</i> but not <i>to the floor</i> : the interaction of <i>put</i> and some of its preposition	
11:20-11:50		Bracha NIR-SAGIV (Tel-Aviv University) Multi-Clausal Constructions: Preferred Syntactic Architectures in Narrative Text Production	<Canceled> Tatiana I. STEKSOVA (State Pedagogical University) Syntactic tautological phrasemes in Russian	Chinfa LIEN (National Tsing Hua University) Approximatives in Taiwanese Southern Min	
11:50-12:20		Willem B. HOLLMANN & Anna SIEWIERSKA (Lancaster University) The role of frequency in sociolinguistic perspective	<Canceled> Sergey SAY (Institute for linguistic research of the Russian Academy of Sciences) Non-contextual verbless sentences in Russian: against ellipsis	Francisco GONZÁLVEZ-GARCÍA (University of Almería) A constructionist reappraisal of interpersonal manipulation: Evidence from secondary predication in English and Spanish	
12:20-13:30	Lunch Break				
13:00-14:00	Poster Session	Building 18 Lobby			
14:00-15:00	Oral Sessions	Oral Session A: Building 18 Hall	Oral Session B: Building 18 Room 1	Oral Session C: Building 18 Room 3	
		Chair: Yoshiko MATSUMOTO (Stanford University)	Chair: Jaakko LEINO (University of Jyväskylä)	Chair: Christine LAMARRE (University of Tokyo)	
14:00-14:30		Natsuko TSUJIMURA (Indiana University) A Construction-Based Approach to Phrasal Postpositions in Japanese	Ellen Hellebostad TOFT (University of Oslo) The possessive genitive in Old Norse from a construction grammar perspective	Shu-mei CHIANG & Hwei-ling LAI (National Chengchi University) A Family of NP1 V NP2 m11 X Constructions in Hakka	
14:30-15:00		Hiroaki KOGA (University of Tokyo) The semantics, syntax, and pragmatics of inverse constructions in	Kristian Emil KRISTOFFERSEN (University of Oslo) Unique object control in Old Norse – a constructional	Hwei-ling LAI (National Chengchi University) Lien11... ya55/du55 constructions in Hakka	
15:00-15:10	Break				
15:10-16:10	Oral Sessions	Oral Session A: Building 18 Hall	Oral Session B: Building 18 Room 1	Oral Session C: Building 18 Room 3	
		Chair: Christine LAMARRE (University of Tokyo)	Chair: Michael ELLSWORTH (ICSI)	Chair: Kaoru HORIE (Tohoku University)	
15:10-15:40		Jianguo LI (Ohio State University) Subject-Oriented Resultative Compound Verbs (RCV) in Chinese	Karen SULLIVAN (University of California at Berkeley) Constituency <i>inif and when</i> conditional constructions	<Canceled> Jong-Bok KIM (Kyung Hee University) Three Types of Relative Clause Constructions: A Construction-Based Approach	
15:40-16:10		Lily I. SU & Rachel HSIAO (National Taiwan University) Emotion Events in Mandarin Emotion Constructions	Hiemitsu TAKAHASHI (Hokkaido University) Constructions in Fusion and in Clash: Imperatives in Adverbial Clauses	<Canceled> Jeong-Woon PARK (Hankuk University of Foreign Studies) Some Korean Causative Verbs Not Increasing Valence: A Case of Construction-Level Backformation	
16:10-16:30	Coffee Break	(Mathematical Sciences Hall Lobby)			
16:30-17:30	Plenary Lecture	Mathematical Sciences Hall	Yo MATSUMOTO (Kobe University) (Moderator: Masayoshi SHIBATANI) Constraints on the cooccurrence of spatial and metaphorical paths in English: A closer look at the Unique Path Constraint		
17:30-18:30	Plenary Lecture	Mathematical Sciences Hall	Knud LAMBRECHT (University of Texas at Austin) (Moderator: Charles J. FILLMORE) Syntactic Amalgams Revisited: Apokoinou Constructions in Spoken English		
19:00-21:00	Conference Party	Faculty House			

Room = Collaboration Room

Sep.3

(Sun)

9:00-10:00	Plenary Lecture	Mathematical Sciences Hall	Collin BAKER (International Computer Science Institute) (Moderator: Hans C. BOAS) Frame Semantics in Operation: The FrameNet Lexicon and Text Understanding
10:00-10:20	Coffee Break	(Building 18)	
10:20-12:20	Oral Sessions	Oral Session A: Building 18 Hall	Oral Session B: Building 18 Room 1
		Chair: Doris L. PAYNE (University of Oregon)	Chair: Hans C. BOAS (University of Texas at Austin)
10:20-10:50		Kingkarn THEPKANJANA (Chulalongkorn University) The Constructional Status of Serial Verb Constructions in Thai	Yoko HASEGAWA, Kyoko Hirose OHARA, Russell LEE-GOLDMAN, & Charles J. FILLMORE (University of California at Berkeley, Keio University, & International Computer Science Institute) Frame Integration, Head Switching, and Translation: RISK in English and Japanese
10:50-11:20		Shin-ya IWASAKI (Osaka University) On Cognate Object Constructions in English: A Construction Grammar Perspective	Michael ELLSWORTH, Kyoko OHARA, Carlos SUBIRATS, & Thomas SCHMIDT (International Computer Science Institute, Keio University, & Autonomous University of Barcelona) Frame-semantic analysis of motion scenarios in English, German, Spanish, and Japanese
11:20-11:50		Sturla BERG-OLSEN (University of Oslo) Lacking in Latvian – case variation from a construction grammar perspective	Kyoko Hirose OHARA, Seiko FUJII, Toshio OHORI, Ryoko SUZUKI, Hiroaki SAITO, & Shun ISHIZAKI (Keio University & University of Tokyo) Frame-based Contrastive Lexical Semantics and Japanese FrameNet
11:50-12:20		Daniela CALUIANU (Otaru University of Commerce) The Expletive Object Construction in Romanian	Hunter WEILBACHER & Hans C. BOAS (University of Texas at Austin) <i>Just because</i> two constructions look alike in two languages <i>doesn't mean</i> that they share the same properties: Towards contrastive Construction Grammars
12:20-13:30	Lunch Break		
13:30-15:00	Oral Sessions	Oral Session A: Building 18 Hall	Oral Session B: Building 18 Room 1
		Chair: Yoko HASEGAWA (Univ. of California at Berkeley)	Chair: Huei-ling LAI (National Chengchi University)
13:30-14:00		Kim Ebensgaard JENSEN (University of Southern Denmark) A family of body-based aspect constructions in Danish	<Canceled> Yu-ting YANG (National Chengchi University) Variations of Resultative <i>CHU 出</i> Construction in Mandarin Chinese
14:00-14:30		Jóhanna BARÐDAL (University of Bergen) Constructional choices of new verbs of instrument communication	Tomoko ENDO (University of California at Los Angeles) The <i>pa</i> 'Fear' Constructions in Mandarin Chinese: Epistemicity with a Suppressed Experiencer
14:30-15:00		<Canceled> Jidong CHEN (Max Planck Institute for Psycholinguistics) "He cut break the rope": A semantic and syntactic analysis of the resultative verb constructions in Mandarin Chinese	Christine LAMARRE (University of Tokyo) Chinese Path Resultatives: a Variationist Approach
15:00-15:10	Break		
15:10-16:10	Oral Sessions	Oral Session A: Building 18 Hall	Oral Session B: Building 18 Room 1
		Chair: Michael ELLSWORTH (ICSI)	Chair: Benjamin BERGEN (Univ. of Hawaii at Manoa)
15:10-15:40		Osamu SAWADA (University of Chicago) Scalarity and the Rhetorical Negative Constructions	Hanne Gram SIMONSEN, Inger MOEN, & Marianne LIND (University of Oslo & Bredvet Resource Centre) Syntactic frames and slot fillers in the speech of a Norwegian patient with fluent aphasia
15:40-16:10		Russell LEE-GOLDMAN (University of California at Berkeley) Rhetorical questions and scalar implicature: what do you think constructions are for?	Inger MOEN & Marte MYHRUM (University of Oslo & Rikshospitalet) Speech recognition in noise: the influence of structures and frequency
16:10-16:30	Coffee Break	(Mathematical Sciences Hall Lobby)	
16:30-17:30	Plenary Lecture	Mathematical Sciences Hall	Yukio HIROSE (University of Tsukuba) (Moderator: Yoko HASEGAWA) The Conceptual Basis for Reflexive Constructions in Japanese
17:30-18:30	Plenary Lecture	Mathematical Sciences Hall	Charles J. FILLMORE (International Computer Science Institute & University of California at Berkeley) (Moderator: Jan-Ola ÖSTMAN) Articulating Lexicon and Construction
18:30-18:45	General Assembly Closing	Mathematical Sciences Hall
